

Pompey Pool League Rules.

Note: *exerts from and references to, the Pompey Pool League Constitution are included within this document, in italics, for completeness.*

1. **Rules of Play.**

This rule is governed by paragraph 9f of Pompey Pool League Constitution.

For information paragraph 9f of the Constitution reads as follows:

The rules of play will be the latest version of WPA Blackball Pool Rules.

This applies to all leagues, division and competition playing under the umbrella of Pompey Pool League.

2. **Rules.**

a. **Match Starts.**

All Matches start at 8:15 pm.

If two Team players have not arrived by 8:15, one game will be forfeited. If a team has not arrived by 8:30, this will be considered a no show.

No shows will be registered as 0-9 loss for the team that does not show. The attending team must complete a results sheet to register the no show.

If a player who is selected to play a frame in a match, has not arrived at the match venue at the time in the match when the frame is ready to be played, the opposing team may claim that frame as a win.

b. **Play and Team Sheets.**

Match format is 6 singles followed by 3 doubles, all one leg. To start the match, the home Team completes the Team Sheet for the single matches. The singles matches are then completed by the away Team. This procedure is repeated for the doubles matches after singles matches have been completed. After completion of the Team sheet, no names may be changed without the agreement of both Team Captains.

If a team is playing a match with less than 6 players, the team(s) with less than 6 players will be allowed to play one player twice in the singles and one player twice in the doubles. With 5 players:

- i. For the Singles, once the team has been recorded, the opposing Team or the electronic tool, makes a random draw from 1-5 to select who plays the 6th Singles.
- ii. For the Doubles, once the team has been recorded, the opposing Team or the electronic tool, makes a random draw from 1-4 to select who also plays in the 3rd Doubles.

With 4 players:

- iii. For the Singles, once the team has been recorded, the opposing Team or the electronic tool, makes a random draw from 1-4 to select who plays the 5th Singles.
- iv. For the Doubles, no redraw makes up a 3rd doubles match, so this does not apply. The same pattern continues for 3 or less. The results of a

Pompey Pool League Rules.

redrawn singles match will not count towards the singles aggregate competition.”

c. Refereeing and Breaking.

A lag will decide the initial break after which the break will alternate. The Home Team will referee the first game and this alternates throughout the match. This applies to all League Matches, Knockout and Individual Competitions.

For Matches played on neutral tables the Home Team is the first name recorded on the fixtures sheet.

The only exception to this will be the final game of a match played on a neutral table, where the final break will be decided by the toss of a coin.

The Referee’s decision is final. (Except in extreme circumstances where both Captains may overrule the decision).

d. Results Sheets and Results Reporting.

The results sheet must be signed by both captains to confirm the name(s) of the player(s) for each game, the individual results and the overall results. Names of player on the result sheet must be completed in the format ‘Name (or Initial) and Surname’, and is to be completed in block capitals. The Captain is defined as the registered Captain or their designated representative on the night.

- i. Any result sheet not signed by the winning captain will result in no points be awarded to the winning team for that match and all individual results being void.
- ii. Any result sheet not signed by the losing captain will result in all individual results being void for that match.

Match Results must be texted on the night of the Match to the designated phone number. This is the responsibility of Both Captains. Any results not texted, will result in the match being Void. Results sheets must be returned to the designated place(s) within one week of the Match. If the results sheets is not returned by the winning Team within two weeks, the winning Team result will be Void. Under exceptional circumstances, these rules may be varied, at the discretion of the Committee.

If a Winning Team fails to provide a result by text message within 1 day of a match being played, following a reminder within 2 days, the following will apply:

1st Occurrence - Warning to be issued

2nd Occurrence - Final warning to be issued

3rd Occurrence - Will result in expulsion from the League

1st Occurrence - Warning to be issued

Pompey Pool League Rules.

2nd Occurrence - Final warning to be issued

f. **Failing to fulfil a Fixture.**

Any pub team failing to fulfil a fixture will be required to pay the league £10 food fine on each occurrence. Three occurrences will result in expulsion from the League. Any Teams with outstanding monies owed at the end of a Season will only be able to join the following season if all outstanding money is paid.

Any pub/team expelled from Pompey Pool League for any reason will not be eligible to enter for the next year (Winter and Summer League).

g. **Postponed Matches.**

Either Team captain may request a postponement.

If this request is made the day before a match or earlier, then it is expected that the request will be accepted. If the opposing team captain has exceptional reasons for not accepting the postponement, then this must be referred to the League Secretary for arbitration.

If this request is made on the day of a match and postponement is not agreed by both Team Captains, the opposing Team may claim a walkover.

It is the responsibility of the Teams to make the arrangements to play postponed matches.

The League must be notified about the arrangements for the completion of postponed matches, by the postponing Team, as soon as these arrangements are made.

If Teams make arrangements to play a postponed match, but this is not subsequently played, the match will be void.

All postponed matches must be completed on, or before, the final scheduled League fixture or final Spare Week (if this is available in the schedule). If not played, these matches will be void.

Under exceptional circumstances, these rules may be varied, at the discretion of the Committee.

Any away team postponing or re-arranging a match, after 12:00 noon on a match day will be required to pay the league £10. This money will be paid to the home venue, to contribute towards their food costs.
